Our Story

Established in 2018 the Cambodia Pepper and Spices Federation (CPSF) represents the interests of the Cambodian pepper and spice sector and works to ensure the supply of high-quality and safe Cambodian pepper and spice in the local and global markets.

What is CPSF?

CPSF is an information forum which brings together stakeholders in the pepper and spice sector and facilitates their interaction. CPSF is also a platform for trade which promotes and protects the interest of its members and the image of their products.

What is our vision?

Our Vision is to become the number 1 platform in Cambodia for pepper and spice in the local and global markets.

What is our mission?

Our Mission is to promote Cambodia as a key global producer of high-quality and safe pepper and spice.

CPSF in Action: A Success Story

The 2021 Digital Organic and Natural Product Expo Dubai

With grant support from Feed The Future Cambodia Harvest II-USAID CPSF was able to successfully prepare 25 Cambodian SMEs for the 2021 Digital Organic and Natural Product Expo Dubai. CPSF offered technical assistance and support in 3 priority areas.

Food safety
CPSF helped train 25 Cambodian exporters and SMEs on GMP and HACCP and Product Quality Development.

Trade facilitation
CPSF assisted with the design of a product catalogue and online content and helped link 25 Cambodian companies with logistics service providers.

Market Development
CPSF co-developed an export action plan for 25 Cambodian companies and organized match-making events with international buyers.

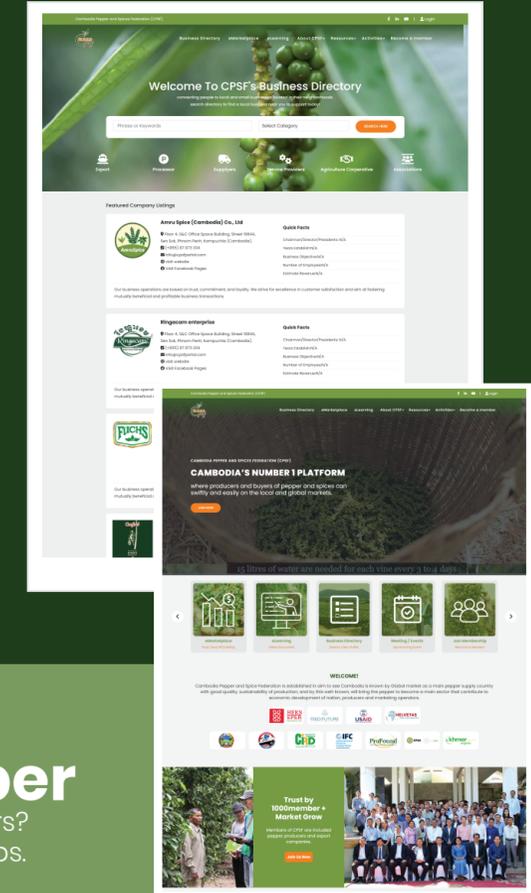

The 25 SMEs represented many different Cambodian provinces with SMEs based in Phnom Penh, Kampong Thom, Battambang, Kandal, Pursat and Preah Vihear.

Our Unique Online Business Portal

With updated information on price and availability CPSF's Online Business Portal makes it possible to compare prices and find products from a single source instead of spending time contacting each individual supplier.
